ADT COURSE OUTLINES

COURSE NAME: Adobe Illustrator Level 1

DURATION (hours): 12

OF MODULES: 4 modules, 3 hours each.

COURSE OVERVIEW:

Adobe® Illustrator® 9.0

Adobe Illustrator is unequalled in the field vector-based illustration. Available in both Apple and PC environments, it is the most powerful tool available for the creation of a wide variety of graphical documents - brochures, advertisements, newspapers, illustrations and much more. Students will establish a firm foundation in Illustrator by mastering the primary tools and techniques necessary to create complex and attractive illustrations and text effects.
